

Spring 2020

Dear Parents/Carers,

A Happy New Year 2020!

Our overall topic this Spring term is “**Mother Nature**”. The children have already started building mini-dens using materials found on our school grounds and are really looking forward to having more of their lessons outdoors (weather permitting!).

Our topics this term include:

- English- Traditional tales; Poetry; Persuasive writing;
- Maths- Multiplication and division; Measurement: length, perimeter and area; Fractions; Mass and capacity; Decimals;
- Science- States of matter and the importance of water on our planet; Growing and caring for plants;
- Geography- Somewhere to settle;
- History – Hunters and gatherers;
- Computing – Online safety; Emails; Presentations (PPT)
- PE- Tai Chi; Rugby; dance and games
- Personal, Social and Health Education – Rights and Responsibilities
- Art – Van Gogh
- Music with Mr Corker
- MFL - French; Other world languages taster

Homework will be given out on Friday to be returned the following Friday. Children have been encouraged to think of one personal topic or task that they would like to do for homework. It can be a project involving making something, researching a topic and presenting to the class, a story for the class to enjoy or a cartoon drawing of a book they have read.

Times Tables Please help your child to practise their times tables. This will be of great help in building their confidence and improve their fluency in recalling multiplication and divisions facts.

Do not hesitate to come and see me at the end of the school day (on Tuesdays, Wednesdays or Thursdays) should you have any concerns or queries.

Kind regards,

Mrs Weston,
