

The Valley Federation of Edale C of E and Hope Primary Schools

Parent Survey July 2020

At The Valley Federation of Edale C of E and Hope Primary Schools, we are committed to listening to your views and opinions to support our evaluation of the school's provision. The coronavirus (COVID-19) outbreak has led to school provision changing in a very short space of time. We want to learn from this experience and recognise where we have done well and understand clearly where we need to improve.

You are welcome to remain anonymous and it is optional whether you include your name and whether your child has been in school during the coronavirus outbreak.

In the sections below, please tick one box to indicate how much you agree with each statement or write your answers, where applicable.

If any of the following statements are not applicable to you, or you do not wish to volunteer the information, please place a tick in the 'Not applicable' column.

Use the 'Further comments' box at the end of the survey to include any additional information or comments you may have.

Please return via e-mail, post or by hand in September.
