

## The Valley Federation of Edale C of E and Hope Primary Schools

8.7.20

Dear parents/carers,

As we are approaching the “end of term” thoughts are turning towards the summer holidays. You will be aware that the Government have said they do not expect schools to open to key worker/vulnerable children over the holidays and I am sure that many of you would be interested in knowing what opportunities there are locally for your children to take part in summer activities.

On 1<sup>st</sup> July, the Government produced information for parents “Guidance for parents and carers of children attending out-of-school-settings during the Coronavirus outbreak”. You can access this document using the following link:

<https://www.gov.uk/government/publications/guidance-for-parents-and-carers-of-children-attending-out-of-school-settings-during-the-coronavirus-covid-19-outbreak/guidance-for-parents-and-carers-of-children-attending-out-of-school-settings-during-the-coronavirus-covid-19-outbreak>

This document gives you guidance about changes from 4<sup>th</sup> July in light of the fact that providers of community activities, summer clubs, tuition and other out-of-school activities will be able to open over the summer, with safety measures in place. A similar document has also been made available to providers.

As you know the Headteachers of the primary schools in the valley work closely together and we have been trying to put together something that “signposts” you to activities that MIGHT be available locally. We are **not** endorsing these activities or organisations, but our hope is that we can help in your search for things that are out there so that you can get in touch and make your own arrangements (having read the guidance in the Government document) if it is something that suits you and your child.

So here are a few possibles....

Techne Global football summer camp in Crosspool, Sheffield.	<a href="https://www.techneglobal.com/">https://www.techneglobal.com/</a>
TrYumph in Life multi activity summer camps	<a href="https://trumphinlife.com/holiday-camps/">https://trumphinlife.com/holiday-camps/</a>
Kings Camps: sporty activities. Call 01142 263 2160	<a href="https://www.kingscamp.org">https://www.kingscamp.org</a>
Fun Tech are a company doing virtual camps online, they have courses covering things like game design and engineering for children	<a href="https://funtech.co.uk/virtual-camps">https://funtech.co.uk/virtual-camps</a>
Premier Education summer camp being hosted at Great Hucklow	<a href="https://www.premiersportbooking@aol.com">https://www.premiersportbooking@aol.com</a>
Childcare provision based at Hathersage	<a href="https://peaktimekidsclub.com">https://peaktimekidsclub.com</a>
JH Fitness personal training sessions for children	<a href="https://www.jh-fitness.co.uk">https://www.jh-fitness.co.uk</a>

Now the new guidance has been issued to providers, it would probably be a good idea to also look out for local organisations such as cubs/scouts to see how they respond.

I hope that this is helpful. More information may become available over the next two weeks anyway, but as a group of Headteachers we felt it was important to support you in this as soon as possible.

Kind Regards

Miss S Fisher

Executive Headteacher
